Departmental Achievements

The M.B.A Programme was started in this college in 1998 and since its inception it is progressing in all its activities in an appreciable way. Due to over whelming response for M.B.A course in this college, an additional section was started in the academic year 2007-08 and at present the strength is 120 in each year.

From the very beginning on the department is producing good results and on an average it is maintained at 85% each year. Students from other states also do the M.B.A course in this college.

As a unique feature the department is conducting off – campus seminar programme in other states.

The department organizes guest lectures and seminars periodically, by inviting Resource Person from Banking, Insurance, Financial Institution and Industries etc., who give their expertise knowledge and information to the budding managers.

The department is doing research activities and offers M.Phil. Research programme, guided by the approved guides in the department. Three staff members have registered for Ph.D programme and their work is progressing satisfactorily. Four members of the faculty are doing courses under Distance Education scheme, to acquire additional Qualifications. Three staff members in the department passed SLET \ NET examinations there by qualifying themselves for Lectureship.

The department is organizing regularly a National Level Management Meet to encourage the management course students to develop and exhibit their talents.

Journal of Financial Services is a quarterly journal in English language is published by the department.

The staff members in the department are regularly attending and presenting papers in the conferences and seminars conducted in other colleges and Universities to update their knowledge.

The alumni of the department are placed in the reputed concerns and draw a decent salary.

In the department of M.C.A, the following faculty members published three books in the year 2009 under the following titles.

1. Middleware Technologies
2. Distributed Technologies
3. Basic of Computer Service
